High school lawn scene.

Foreword

"God bless America, land that I love." Now more than at any other time we realize how much we love this wonderful America of ours. As we look at her beautiful fields, wind-swept plains, and her rushing mountain streams, we know we can never let her go. She is a part of every one of us. To us she represents all the ideals that we hold dear.

We are sometimes short-sighted and look only at the things which are near to us. And that, for us here in Hemet Valley, would almost be enough. For we are fortunate enough to live in one of the most plentiful and beautiful spots in America.

But as time moves on, so must we. We must be willing and eager to pass through the threshold which reveals to us the scope of America.

We will all leave behind us many memories and we, of the 1951 Tahquitz staff, have tried to bring them together for you, so that in days to come you will never forget the many happy hours you have spent at Hemet Union High School.

Hemet Senior High School.

MISS ELIZABETH MCKELVEY

To Miss Elizabeth McKelvey, loved by all who have known her, we of the annual staff wish to dedicate this 1951 Tahquitz. Our recognition goes to Miss McKelvey not only because of her beloved personality and length of service, but for the great variety of subjects she has taught and the many activities she has supervised.

Transferring from Knox College at Galesburg, Illinois, Miss McKelvey received her Bachelor of Arts from Occidental College, Los Angeles, where she won the honor of membership in Phi Beta Kappa, national scholastic honor society. Her teaching career began at Palo Verde, near Blythe, where she was an instructor for four years. Another year was spent at Fillmore previous to her coming to Hemet high school.

As a newcomer to Hemet in 1924, Miss McKelvey soon made a place for herself in a variety of school activities. Her ready smile and encouraging bit of advice have been in demand for many years now. We find that she has at one time or another been advisor for practically every organization in school. Girls' League, Student Council, girls' athletics, California Scholarship Federation, have all received her help, and she has also served as annual advisor, cafeteria manager, and sponsor for every class in school, from sophomore on through senior! Many of the junior classes of the past would have met disaster in their planning and preparation for the Junior-Senior banquet, had

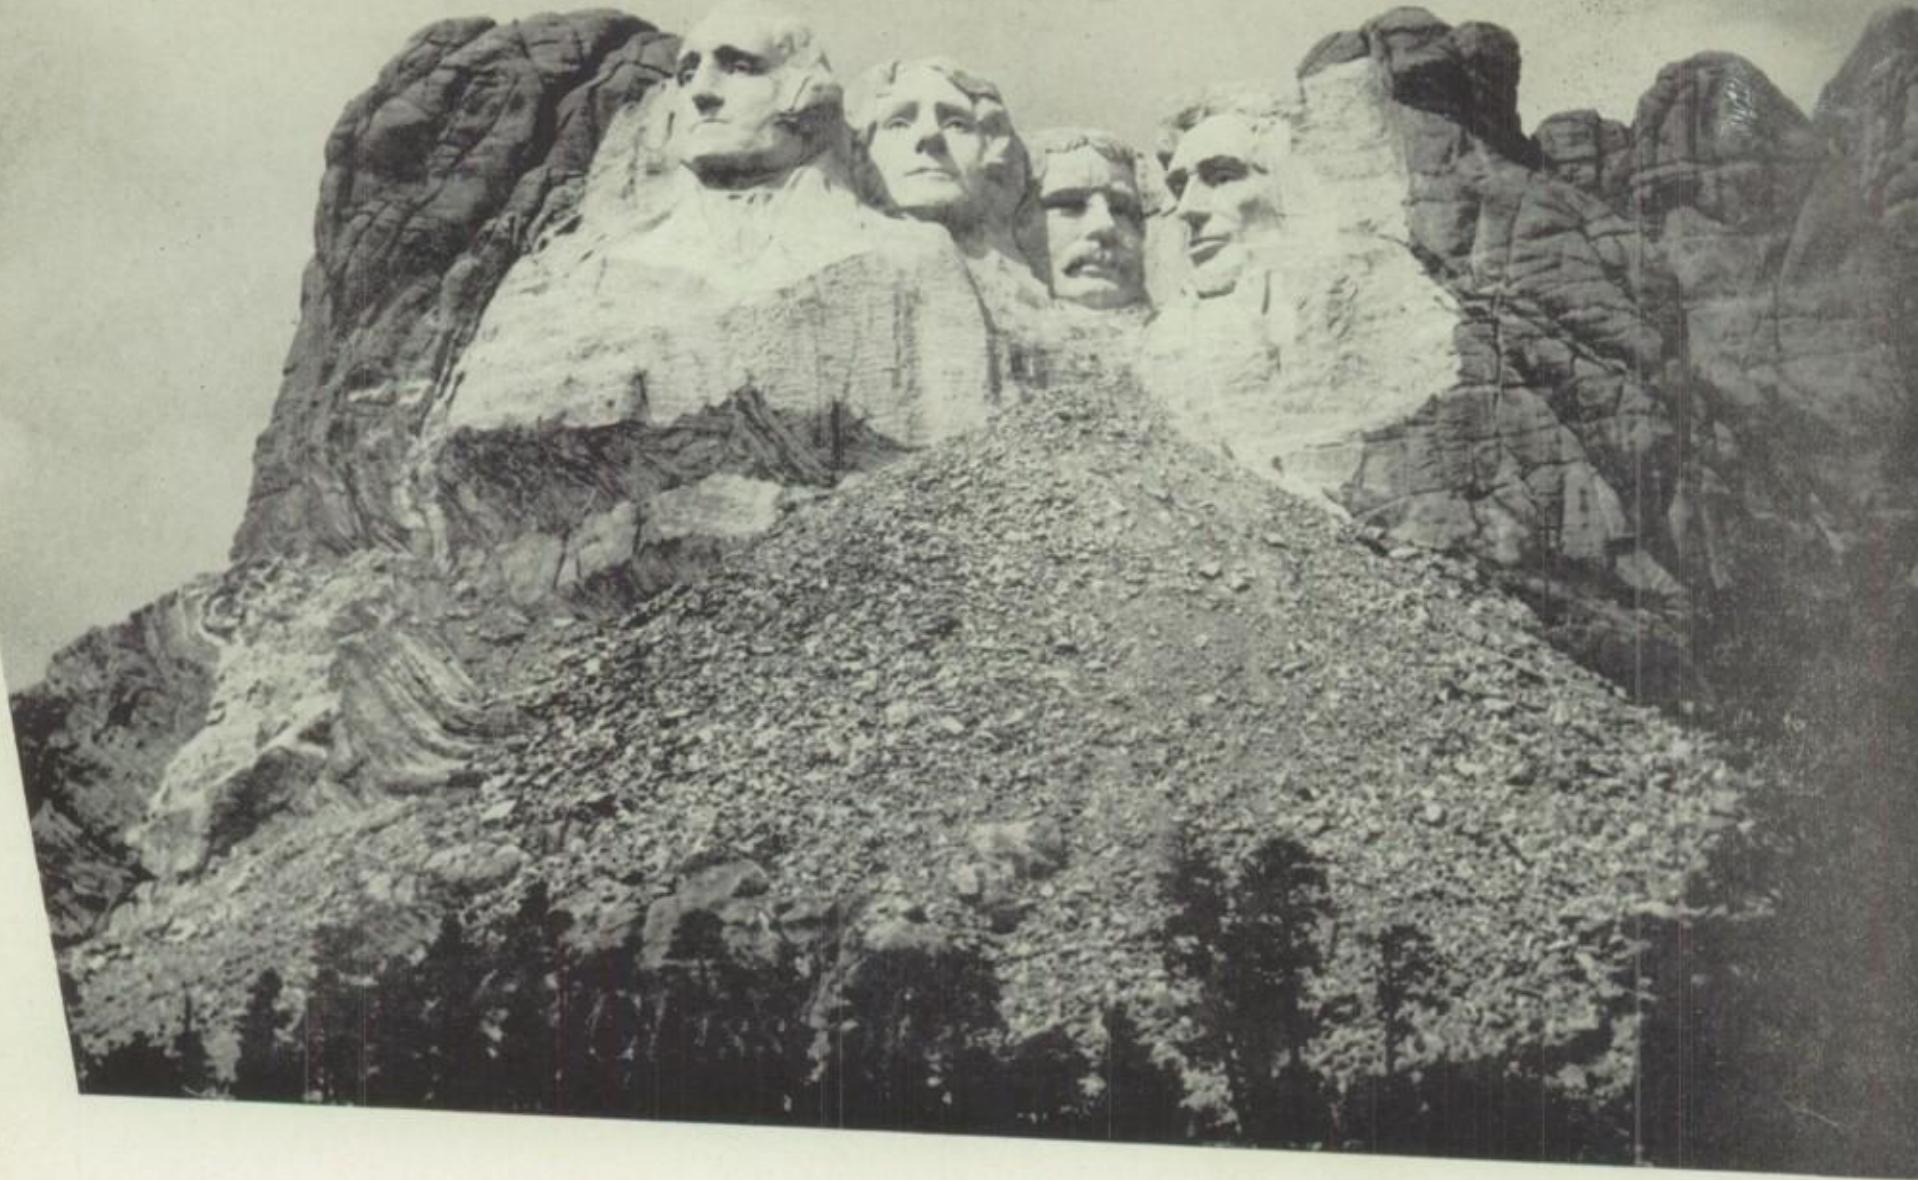

it not been for Miss McKelvey; and the C.S.F. students of Hemet high school have none other than Miss McKelvey to thank for their enjoyable week-end trips to such places as Boulder Dam and Santa Barbara.

Nor should Miss McKelvey's teaching ability go without notice, for it has been demonstrated in nearly every subject. This versatile instructor has taught everything from cooking to biology, including chemistry, Latin, dramatics, mathematics, physical education, and even a seventh grade home-room!

Yes, Miss McKelvey has served this school long and well. She has become a tradition at Hemet high, and Hemet High has in return become a part of her. To the students of the past she is a cherished memory of a friend and teacher. To us of the present, she is the teacher without whom mathematics would be but a maze of figures and without whose presence H.U.H.S. would not be quite the same.

No matter what the job, you do your share, Miss McKelvey. We can only do ours by saying "Thank you."

BOB TOWLE

In Memory of

Fatally injured when his automobile collided with an army-type truck two days before, Robert Franklin Towle passed away in the Hemet Community Hospital on Saturday morning, June 18, 1950.

Bob was the son of Mr. and Mrs. James Towle of West Seventh Street. He is survived by three brothers, John, Hugh, and James S. Towle III, and by three sisters, Mary and Jane Towle, and Mrs. Diane Early.

At the time of his death, Bob, a sophomore, was an enthusiastic member of the Key club and treasurer of the group. He enjoyed square dancing and horse-back riding and rated aviation high among his interests.

Though he was quiet and unassuming, Bob left a host of friends who will long remember his happy smile and friendly ways.

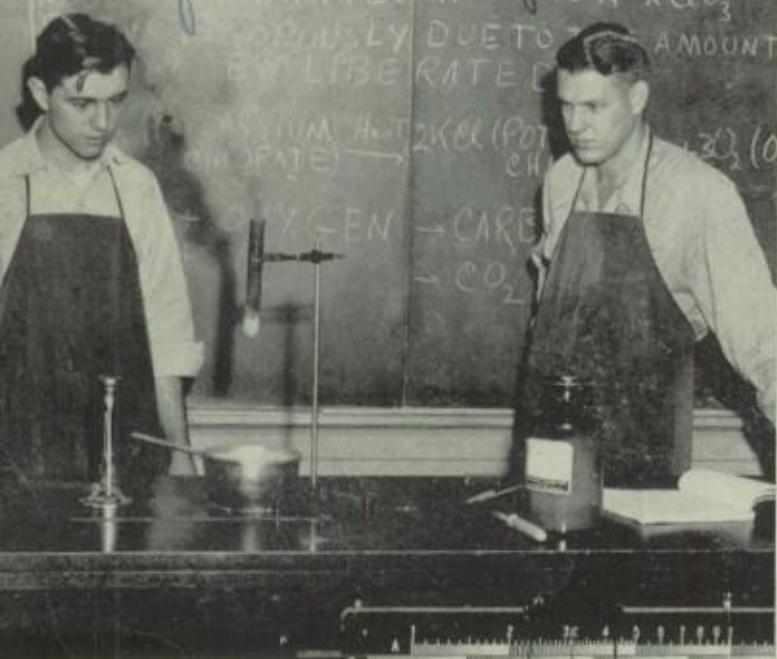

With the Light from Above.

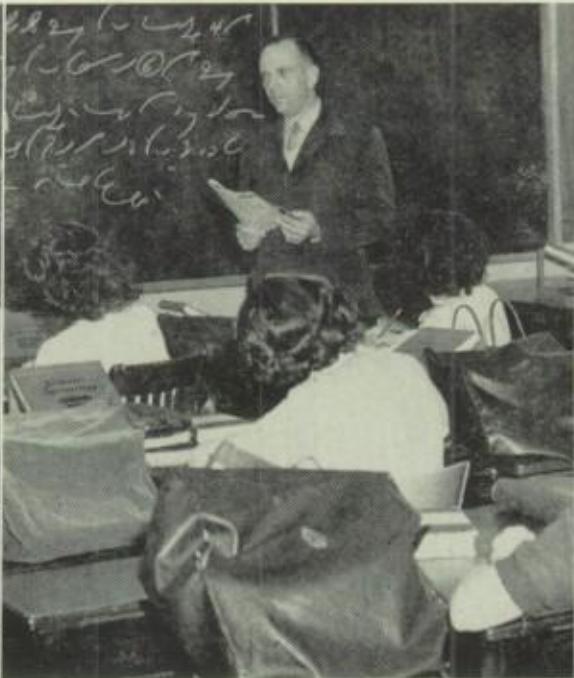

Dear Corlene,
You are really a swell

Good Job with Edward.

Administration

Retired County Superintendent E. E. Smith and E. G. Garrison, Superintendent of the Hemet Schools.

New to Hemet this year was Leonard F. Ebrite, high school principal, who gained the respect and admiration of high school students almost immediately. Mr. Ebrite was never too busy to exchange a smile and a few words with a student or to help anyone with his individual problems. During the second semester he took over the advisorship of the student council.

Superintendent Garrison rated first among his concerns the welfare of the school district as a whole, but he took an interest in the high school too, and was frequently seen at games, dances, and other school affairs. Much of his time this year was absorbed by completion of the new cafeteria and home economics building, to go into use next fall.

Among the faces familiar to Hemetites of all ages and grades, one of the most familiar has left the school scene, for E. E. Smith, Riverside county superintendent for many years, retired in January of this year.

LEFT: Leonard F. Ebrite, High School Principal, looks up from his work.
RIGHT: Refreshing themselves after a meeting of the board of education are, left to right, board members Leland Houk, Richard Elliott, Dr. L. J. Clark, Clare Gillette, and Hillas Cole.

Kenneth Newton, dean of boys, and Miss Alice Beard, dean of girls, plan their line of attack.

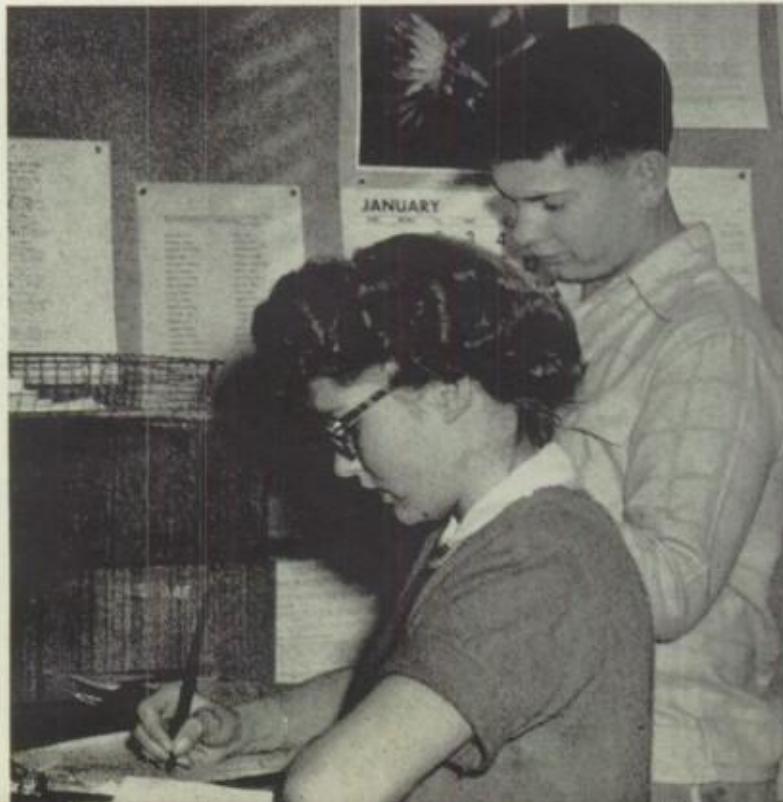

Indispensable to the functioning of the high school are the counselors or deans. They plan programs, advise students, check absences, and on occasion apply disciplinary measures. But in spite of these last two items, most H.U.H.S.'ers will admit that Hemet High would seem strangely incomplete without Mr. Newton and Miss Beard to keep things running smoothly.

Helping with the many clerical tasks necessary to the operation of a school are the secretaries and student assistants. This year Mrs. Huntoon and Miss Tate, high school secretaries, kept records, checked money, answered phones, ran down stray reels of film, and acted as trouble shooters in various fields. Mrs. Scott and Miss Betty Gamel handled matters secretarial in the superintendent's office, until at Easter Miss Gamel traded her job for that of a homemaker.

Student helpers ran errands each period, picked up absence slips, and tracked down wandering pupils. The office practice class helped, too, supplying an assistant in the junior high office each week and getting much of the necessary typing and mimeographing done.

Secretaries Mrs. Margaret Huntoon and Miss Dorothy Tate wonder who ordered these reels of films.

LEFT: Hashing over the day's absences are office helpers Jaymie Osburn and Roger Hull.
RIGHT: Mrs. Grace Scott and Miss Betty Gamel, secretaries in the administration office, pursue their duties.

This year the congratulations and top honors of the entire Hemet High School student body go to the student council members for their guidance and leadership during 1950 and 1951.

The many problems, no matter how difficult and unimportant, that were brought before the council, were solved in such tactful ways that everyone was satisfied with their decisions.

They brought about numerous improvements to the school such as painting the circle drive, opening a door into the darkroom from the hall, arranging for many improvements toward the care of the grounds, and the hardest of all, answering to the demands of the students.

First semester student body officers. Kneeling, Bob Record, treasurer. Seated, left to right: Dick Gibbel, president; Gordon Sisk, vice president, and Nada Bounds, secretary.

Our student council is rated as one of the best in the state, and it is no easy job for the new councils every year to live up to the standards that were set by the ones of recent years.

It takes a lot of hard work, and many long, tiring hours to build up a student government such as ours, and it also takes the careful thought of all students in high school to select the persons whom they feel are the best qualified for their leaders. This year an exceptionally good job was done by both the council and students.

The Maintenance Crew

Custodians William Maddox, Harry Hein, and J. H. Vogt, take a breather in the furnace room.

Custodians, gardeners and maintenance men are the stage crew or behind-the-scene workers at Hemet High. It is they who sweep up the debris after each school day, who keep us in repair, furnish supplies and make our campus a pleasant spot to look at, and this, considering the mess made during school hours, is no mean job!

LEFT: Building Maintenance crew Chester Borst, Clarence Burroughs, Carl Jensen and Don Swarthout do a little work in the Maintenance shop. RIGHT: The power mower seems to be giving Warren Holmes a rough time, but John Malek doesn't look worried.

How would you like to fix lunch for 100 people every day? That's the problem that the cafeteria cooks face each morning when they arrive at school. And in addition to the 100 high school lunches to be prepared, about 40 meals must be cooked and taken to Little Lake School each day. The lunches are good, too, even though they are planned on a budget that doesn't have any stretch to it!

Bus drivers are long-suffering souls, as most students will readily admit. Ours make the daily drip from Aguanga, Idyllwild, and throughout the Hemet Valley in all kinds of weather—and with all kinds of passengers!

One of the usual scenes at Hemet High early in the morning. Left to right: Tom Betz, Steve Page and Susan Peacock.

Charles Reed, B.A.; chemistry; driver's education; algebra.

Robert Walter, B.A., M.A.; commercial subjects.

Though it's sometimes hard to convince us, the reason we go to school is to learn something, and to that end we have teachers and classes.

On the academic side, we struggled this year with social studies, U. S. history, civics and senior problems; English provided plenty of reading and writing material, topped off by the annual Kiwanis essay contest, this year's topic being "Freedom is Not Free."

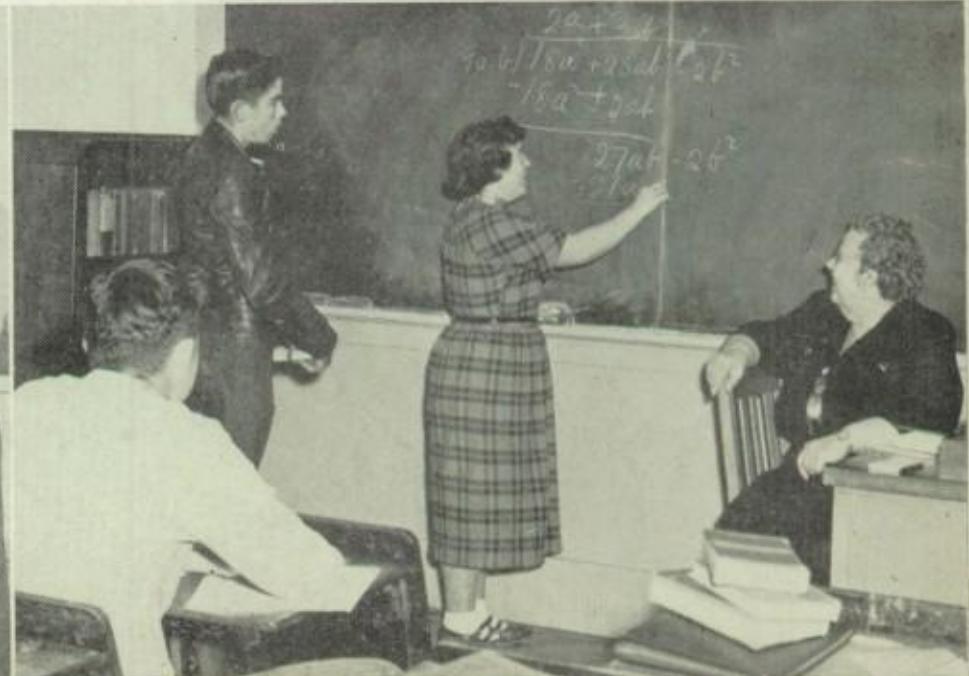

As for mathematics, school just wouldn't be complete without the intricacies of triangles, trapezoids, and equation troubles.

Biology and chemistry offered scientific opportunities, while Spanish was provided for the linguists. Glee Club and band were the musical accompaniment to our heavier subjects, and typing, shorthand and bookkeeping lent the practical touch.

Two senior boys learn how to give and receive artificial respiration, while Coach Cooper looks on.

LEFT. Left to right: Ronnie Hobson, Mr. Newton, Don Brolin and Martha Fletcher review some of the instruments used in physical geography. RIGHT. Pat Knight solves an algebraic equation while John McIntosh looks on confused and Miss McKelvey smiles her approval — no, no — it couldn't be that — the problem's wrong! (P.S. — They did it for a gag.)

Marvin Schepman, B.S., M.S.; English; dramatics and speech.

Albert Fages, B.A.; economic geography; biology; Boys' football and baseball coach.

Mrs. Clark helps JoAnn Weddle with some leather work while the rest of the art class works industriously.

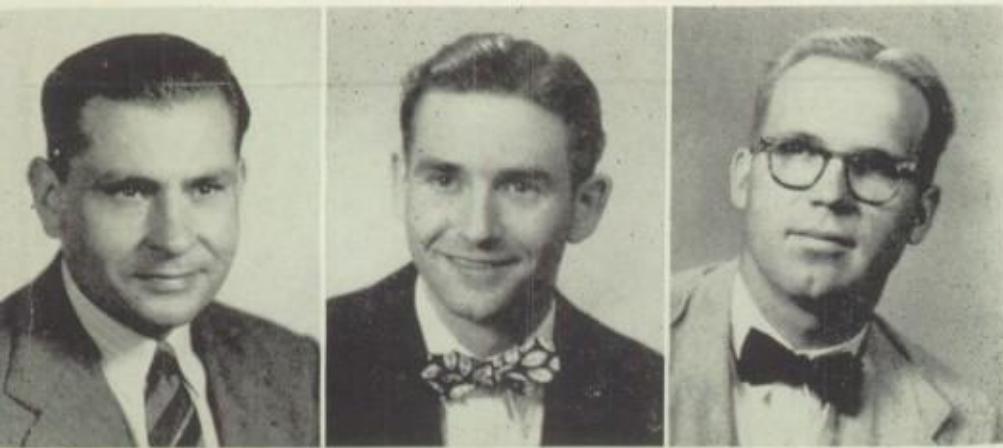

Playing an important role in our everyday learning is the school library which, thanks to Mr. Dane, the librarian, has become a vital part of school life. But, aside from its books and services, what makes our library a showplace and an inspiration? Of course, it's those posters and exhibits loaned by students, faculty, or townspeople and arranged by Mr. Dane. Changed weekly these displays have featured everything from guns and shells to textiles and modern art.

And speaking of art, Hemet high's arts and crafts department, supervised by Mrs. Jessie Clark, rates a special "A" in the memory of students who have taken work in that department. Besides painting, drawing and poster making, ceramics, leather and jewelry work are always popular with HUHS'ers.

RIGHT: The Library Science class repairs the damage. Left to right, Mr. Dane, Alice Hoffmeister, Velma Kingston, Evelyn Shumate.

Fred Hagen, B.S.; agriculture.

John Schroeder, B.A.; wood shop.

Lee Vandenberg, B.A.; metal shop, crafts; mechanical drawing.

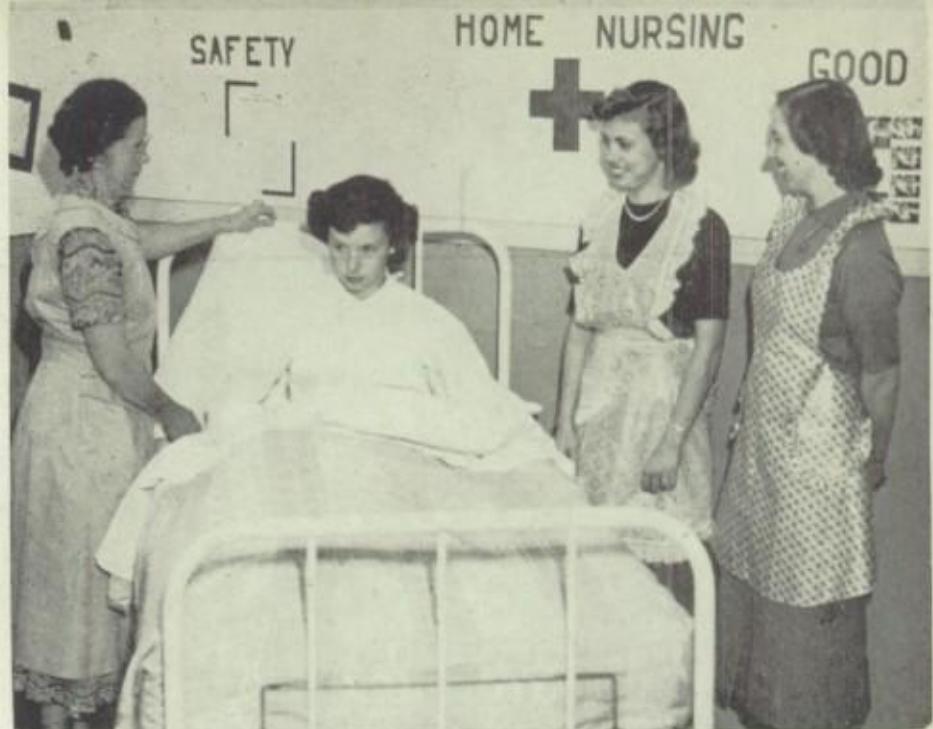

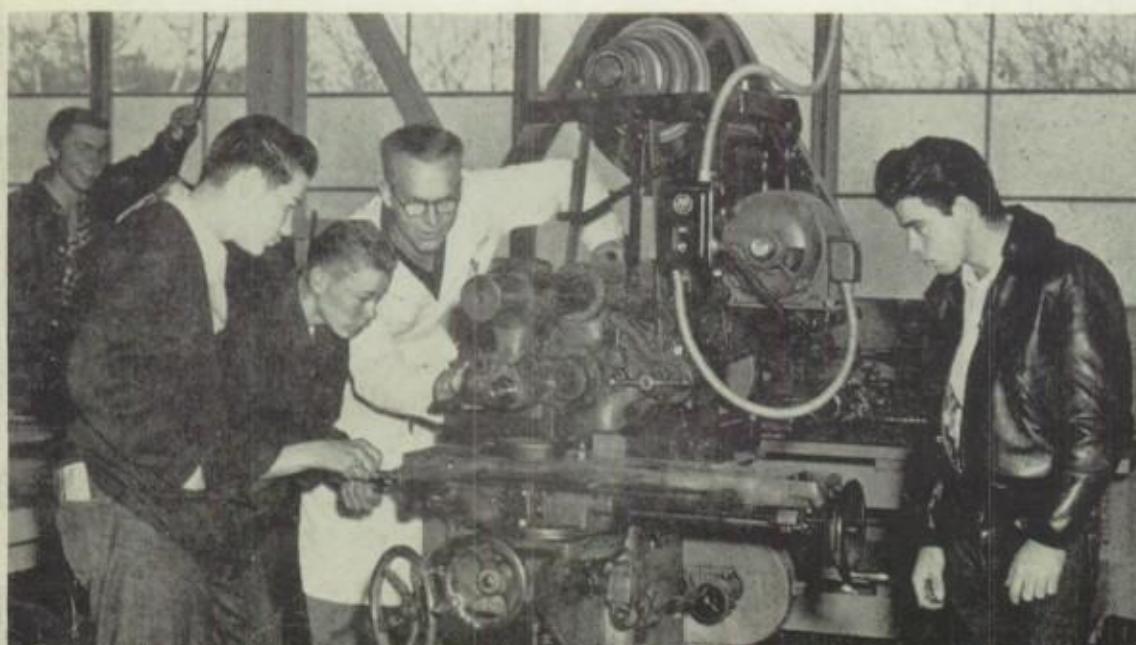

As for the past 30 years, H.U.H.S. agriculture classes this year prepared boys for farm life and agricultural occupations. For the second year, Hemet was a teacher-training center for agriculture instructors, with two cadets each semester.

Metal and wood shop apprentices to the industrial arts worked with lathes, saws, drill press and milling machine to produce tools, chests, and tables, and to repair and rebuild car motors.

And to keep in tune with the times, two new courses were required for seniors this year — first aid for both boys and girls, and home nursing for the girls.

LEFT: Mr. Vandenberg points out the operation of the milling machine to Gary Martgan, Marshall Polson, and James Van Gorden.

RIGHT: Cadet teacher Harold Peck shows Harold Sandall and Wilbur Homan how to whip ends of rope.

Miss Edna Fletcher shows home nursing students Beverly Parker and Mary Malpne how to make patient Doris Kinkade comfortable in bed.

Wood shop instructor John Schroeder assists Leonard Yates at the lathe, while Ray Noblitt and Bill Ogburn work on their projects.

"In Spring the Sap"

As the rulers of '51, the senior class, with its two presidents, Ken Smith and Alex Lee, and advisors Miss Baird and Mr. Newton, will go down in the history books of Hemet High.

To start off the school year of 1950-51, this class showed the student body that the fearless seniors were not afraid of black cats by giving a dance, "Superstition Shuffle", on Friday, October 13, and by making a grand success of the affair.

Soon after this class members began preparing for the senior play by painting sets, hunting down costumes, rehearsing lines, and selling tickets; and on December 7 and 8, their efforts were rewarded as they stepped before the footlights to present "In Spring the Sap", the first school dramatic production of the year.

Seniors vs. Faculty

After they had established their acting ability, the seniors were ready to show their knack for art work, which they did by painting a huge and colorful "51" on the "Senior Drive". Although both the sophomore and junior classes tried to erase the numeral, neither was successful, and the seniors ruled supreme.

In February, however, senior supremacy suffered a slight set-back when the senior boys challenged the faculty to a basketball game, — and lost, 37-32. How the Smoke-House Five, with such famous players as "Half-pint crock" and "Pint and a Half," were defeated by a faculty five ranging all the way from old women to hula girls, can never be explained. "Just an off-night," say the boys!

End-of-the-year activities began to materialize on April 11, when the class took a day off to visit Riverside College. Then came Ditch Day, heralded by the traditional orange fight, and though some of the boys emerged looking like overripe tomatoes, instead of oranges, they were still able to enjoy Ditch Day, triumphing in the knowledge that they had defended the class of '51 with honor. Having spent a day of lounging on the beach, the seniors returned home sunburned and covered with sand.

The final big social event of the year was, of course, the traditional Junior-Senior banquet, long awaited and over in a flash, but with memories of corsages, soft strains of dance music, and lights turned low. Such a short time since they honored the seniors of yester'ay, the class of '50, and now another spring has rolled around, and it's the Junior-Senior banquet for the class of '51!

As the final week drew close, seniors practiced getting used to their caps and gowns on Senior Cap Day, and prepared for Baccalaureate services. They gave a farewell assembly, where they read the class will and presented a program the rest of the classes could not forget. And on the final day, pins, prizes and trophies were received at the annual awards assembly.

Then came the big moment, graduation at the Ramona Bowl — the restless line of seniors, the slow procession to "Pomp and Circumstance", the handing out of diplomas — and as they walked down the aisle that final time, another class, the class of '51, recalled three happy years crowded with work and fun at Hemet High.

The following members of the class of 1951 are now serving in Japan with the 40th Division of the California State National Guard:

It took hard work, a lot of time, and much planning on the part of every junior classman this year to earn enough money to give the seniors one of the most successful banquets that has been held at Hemet High in recent years.

The juniors were all ready and willing to donate their time and to sacrifice watching both football and basketball games to sell concessions to hundreds of hungry people.

Then in October came one of the toughest hills the juniors had to climb —the Junior Carnival. Despite the fact that they were exhausted after the strenuous work of building booths, decorating, and of course cleaning up, the class of '52 was well satisfied with the results.

On April 13 and 14 came the class play called, "Dotty and Daffy." This production took the backing of every junior, as new sets and flats had to be made, and also the task of learning the parts of the play was not so easy to accomplish.

As the evening of May 25th drew to a close upon the beautiful and successful "Junior-Senior Banquet", the work of the junior class was completed except for decorating for graduation and the making of the daisy chain.

But as the seniors walked down the aisle that final time, the class of '52 felt that the year's work had been well done.

The sophomores entered Hemet High this year and as usual they were regarded as the lowest of the low. But the class of '53 soon gained everyone's approval by reeling off and starting the year's round of activities with the traditional painting of the "H".

They scurried around for weeks preparing to give everyone a little relaxation from semester exams, and they reaped their efforts on January 26 when the "Final Fling", a sock hop, was a huge success.

In February the class rings arrived, much to their delight, and there has never been a prouder class pass through the halls of Hemet High than that of '53.

After the success of the Final Fling the sophs collaborated with the Lettermen's Club to give a dance to close the Rube Day festivities. The date was April 20, the dance backwards, (much to the delight of the girls), and the affair indeed provided a happy ending to the day.

Thus the activities of the Sophomores came to a close, but they left their mark on Hemet High and will be back next year to carry on.

Frosh sensation Carroll Doolittle (37) rips off 25-yard touchdown gallop against Banning the first time he totes the ball. Bulldogs won the game 35-0.

Bullet Bob Glover picks up 20 yards for Hemet as the locals wind up the R.C.L. season against Banning.

Half of Hemet turned out for the first grid bonfire rally since pre-war days. Results came in the form of a 7-6 Hemet victory over traditional rival San Jacinto the following evening.

The Hemet Bulldogs once again displayed their much-feared grid dominance which has earmarked them as always being one of the top powers of the R.C.L.

With all-league dynamos Roger Johnson, Hugh Towle, and Dwight Webb all but ripping holes in the gridiron, the Bulldogs possessed one of the most rugged prep elevens ever to trod the turf for the gold and white.

The locals tore open the 1950 campaign with a near upset of Tustin's mighty tillers, bowing only 13-7 to the rugged Orange League champions. Dwight Webb uncorked a 45-yard bullseye to Russ Mathews in the open with five seconds remaining to highlight the game. As usual, Hugh Towle's conversion was perfect. Next on the menu came Valencia, whom the Bulldogs walked over 14-0. Bullet Bob Glover and Crazylegs Webb were the big offensive stand-outs of the afternoon, but were forced to share the spotlight with sophomore center Bob King, who raced 70 yards to score after hauling down a stray Valencia pass.

King Football Reigns

October 6 found the Bulldogs at Beaumont where they pounded the Cougars 14-0 in the R. C. L. opener. Superb running on the part of Webb and Glover made the victory an easy one, along with some top defensive backing from linemen Hugh Towle and Roger Johnson. A week later, the locals sent the Perris Panthers home with their tails between their legs after being handed a severe 27-0 shellacking at the Fairgrounds. Besides their sterling running attack built around Glover, Webb, Alex Hamilton, and Russ Mathews, the Bulldogs cut loose with some magnificent aerial artistry which found glue-fingered flankmen Leo Holmes and Gene Kerby on the receiving end time after time.

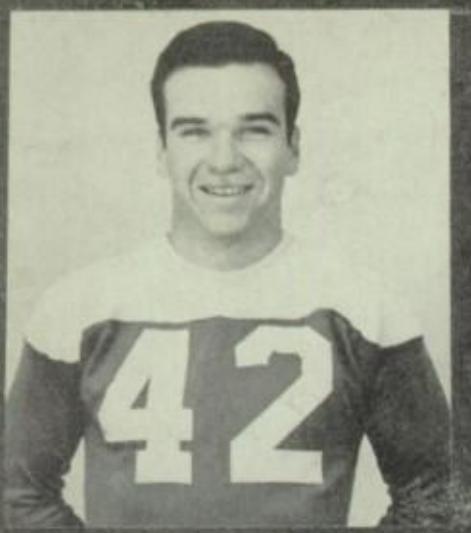

Then came the heartbreaker. After being tabbed to win 18-6, Coach Roy Cooper's contingent took their second and final scalping of the season from the title-bound Palm Springs Indians, 7-0, who later slipped by the Bulldog-bitten Perris eleven by only a 7-6 score. Hemet hearts fell hard to the ground in the late stages of the hotly contested battle, when Webb drove over the Indian goal to score, but later discovered that he had lost the ball on a fumble. Nevertheless, Webb's brilliant running and passing were the only consolation for the locals that evening.

Still smarting from the heartbreakng Palm Springs encounter, the Bulldogs barged back into the win column with a magnificent 7-6 upset of the rival San Jacinto Tigers. With offensive aces Webb and Mathews sidelined with injuries, Bill Wyatt scampered four yards for the lone Hemet score, and Towle split the uprights to derail the steam-breathing Tiger Express at 20 consecutive victories. Roger Johnson proved his all-league ability for the umteenth time when he

ALEX HAMILTON, fleet, hard driving fullback, could always be depended on when those few extra feet were needed to give the Bulldogs an important first down. Despite an untimely mid-season leg injury, Alex will return next year for his third and final fling on R.C.L. gridirons.

DWIGHT WEBB, swivel-hipped senior tailback, not only was a top rate signal caller for the locals this year, but ran and passed his way into an all-league backfield position as well.

RUSSELL MATHEWS, one of the league's top aerial artists, will be sorely missed on the 1951 Bulldog roster. His talented flipper won him honorable mention on this year's all-R.C.L. selections.

CLAUDE PASOS, fearless, defensive-minded quarterback, was a big reason for Hemet's fine defensive mark during the 1950 campaign.

HEAD COACH ROY COOPER, never-say-die Bulldog mentor, and a shining example of true sportsmanship and athletic know-how, once again has earned the undying gratitude of local pigskin enthusiasts by presenting them with a winning team for his fourth successive year with the Bulldogs.

JERRY MARSTON, stout-structured junior guard, should be the shining light in next year's forward wall and will also be a top candidate for all-league recognition at the season's end.

HEAD MANAGER TED EGGEN.

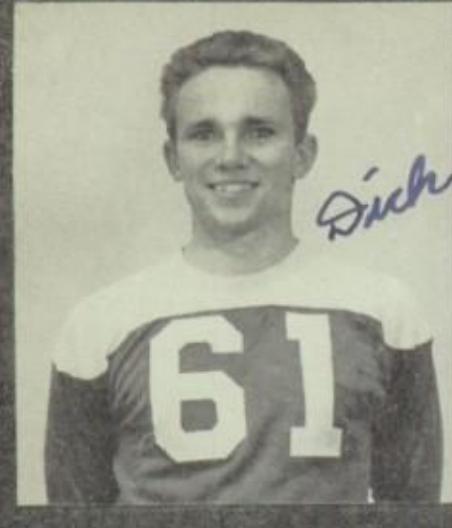

GENE KERBY, glue fingered veteran end, pulled down anything near him, regardless of circumstances, last fall while winning his second varsity letter.

ROGER JOHNSON, tank-like all-league tackle, was the lone repeater from last year's all-R.C.L. eleven and shared Most Valuable Player honors along with terror-twin Hugh Towle.

HUGH TOWLE, vicious, all-R.C.L. lineman and the loop's top conversion artist, captained the near-championship 1950 eleven and was elected as Co-Most Valuable Player along with Tackle Roger Johnson.

DICK HOWARD, alert, Bulldog pivotman, possessed the invaluable ability to "smell" a play coming and was considered the most underrated player on last fall's squad. Howard won Honorable Mention on the all-R.C.L. grid team.

DICK BROWN, rugged senior quarterback, proved himself one of the team's top defensive backs and a great team morale builder because of his never-say-die spirit.

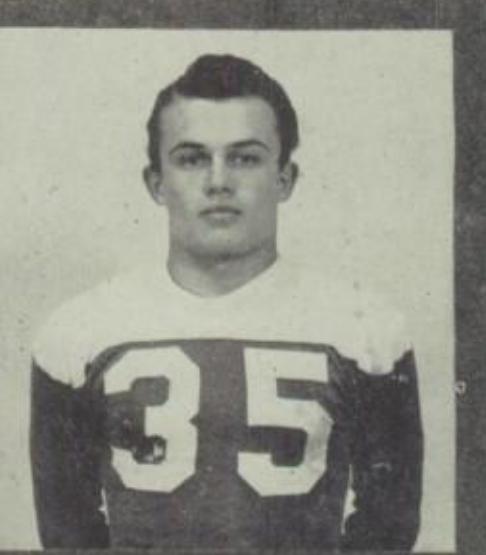

CARROLL DOOLITTLE, flashy freshman halfback, left very little doubt that he is destined to become one of Hemet's all-time gridiron greats. Even last fall as a first-year man, Doolittle was considered a scoring threat every time he packed the porkhicle.

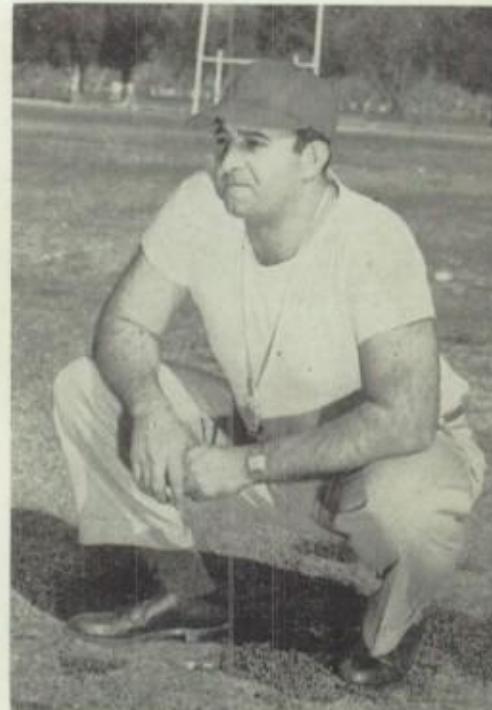

BILL WYATT, a gutty Bulldog junior, alternating both at halfback and quarterback, shot across for the lone Hemet score against rival San Jacinto last fall to derail the much feared Tiger Express at 20 straight wins.

BOB MORRIS, MANAGER.

ALEX LEE, fearless senior guard, came up from a great season with the local Jayvee eleven to help Coach Cooper's varsity squad to no end in the last campaign.

ASSISTANT COACH AL FAGES, a line coach a la mode from the University of Redlands, is in local opinion one of the best in the business. His slave driving, yet well received method of getting things done, brought to H.U.H.S. the best line in the R.C.L. for the 1950 season.

BOB KING, bonecrushing sophomore center, was shifted to end toward the end of the past campaign where he filled in for the injured Gene Kerby on Coach Cooper's starting eleven.

JOHNNY PLANTENGA, scrappy junior guard, should prove his worth come next pigskin season, after enjoying a tremendous first year with the Bulldogs.

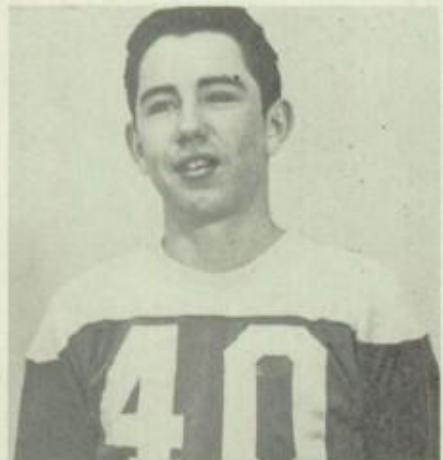

DICK GIBBEL, burly Bulldog tackle, proved a hard man to move around last fall with the Bulldogs and garnered all-R.C.L. Honorable Mention for his efforts.

LEO HOLMES, a agile, all-league second team end, is considered one of the better all-around flankmen ever to glorify H.U.H.S. in the R.C.L. He will be a great loss to the Bulldogs in 1951 both offensively and defensively.

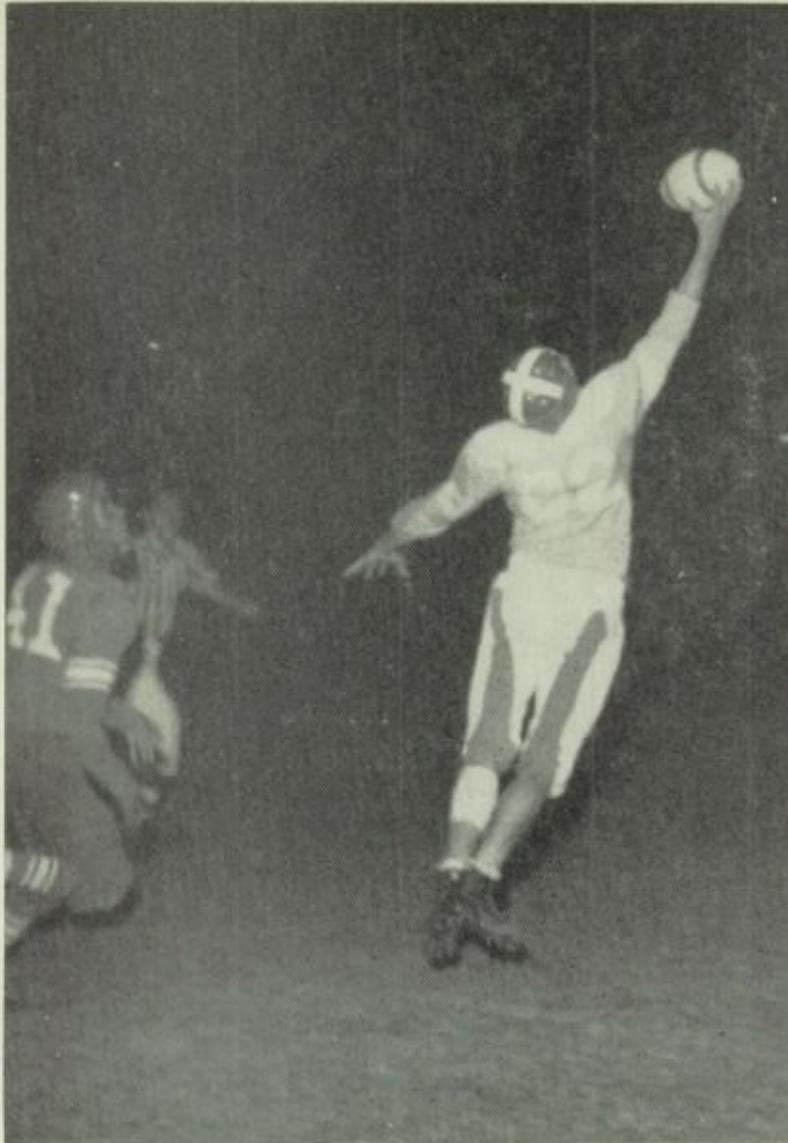

BOB GLOVER. This space was originally saved for a picture of junior footballer Bob Glover, who pulled up stakes for San Diego before our Tahquitz grid snaps could be taken. In his first year with the Bulldogs, Glover was the team's top scorer and all-R.C.L. second team fullback.

BILL MURRAY, speedy junior end, shows potentiality of becoming a top notch end with the Bulldogs next fall after picking up a year of invaluable varsity experience in 1950.

JERRY FLEMING, beefy Bulldog tackle, should prove unstoppable next year while earning his second varsity monogram.

Leapin' Leo Holmes displays the form which won him an all-R.C.L. second team end position as he gracefully pulls down the pigskin to score against the Elsinore Tigers. An offside penalty, however, nullified the score.

LEONARD YATES, lanky 6'3" wingman, will be a vital factor determining the success of next year's well stacked footballers. Experience, plus the fact that he is still growing, will make him one of the better ends in the circuit in 1951.

JOHN BOHMFALK, rugged, Bulldog tackle, will be a cinch to land a starting berth on the 1951 eleven and will also be one of the top kickoff artists in the R.C.L.

(Continued from page 35)

broke through the rugged San Jacinto forward wall to block Tip Brittain's tying conversion attempt which gave the game to the Bulldogs.

Next to feel the stinging bite of Coach Cooper's Bulldogs were the Elsinore Tigers, who fell by the wayside 26-14. Glover rammed across for three scores while Webb and frosh sensation Carroll Doolittle ran wild in midfield. The latter tallied Hemet's final teedee and set up another early in the second quarter when he returned a Tiger kickoff 87 yards.

The following weekend found old Jack Frost bogging down the now feared Bulldog offensive, and the result was a slim 7-0 victory over the Coachella Arabs. Webb ripped the final two yards to score, with only 57 seconds remaining, and Towle converted to give the locals a win over the only R.C.L. school to defeat the Palm Springs champions.

With backfield stars Webb and Glover in the saddle, the Bulldogs rode Banning's Broncs up one side of the coral and down the other in the R.C.L. finale, which was won by the Bulldogs, 35-0. Always a team to give pigskin fans their money's worth, Towle and Johnson were shifted to fullback and tailback positions respectively in the late stages of the game, and the results were killing, especially from a Banning point of view.

After their highly successful season, the Bulldogs selected both Towle and Johnson for Most Valuable Players, while Towle alone was named Captain.

Coach George Gaudreault's Junior Varsity football squad had an average season this year in winning two games and losing three.

Gaudreault did a fine job of teaching the young athletes the important fundamentals of blocking and tackling.

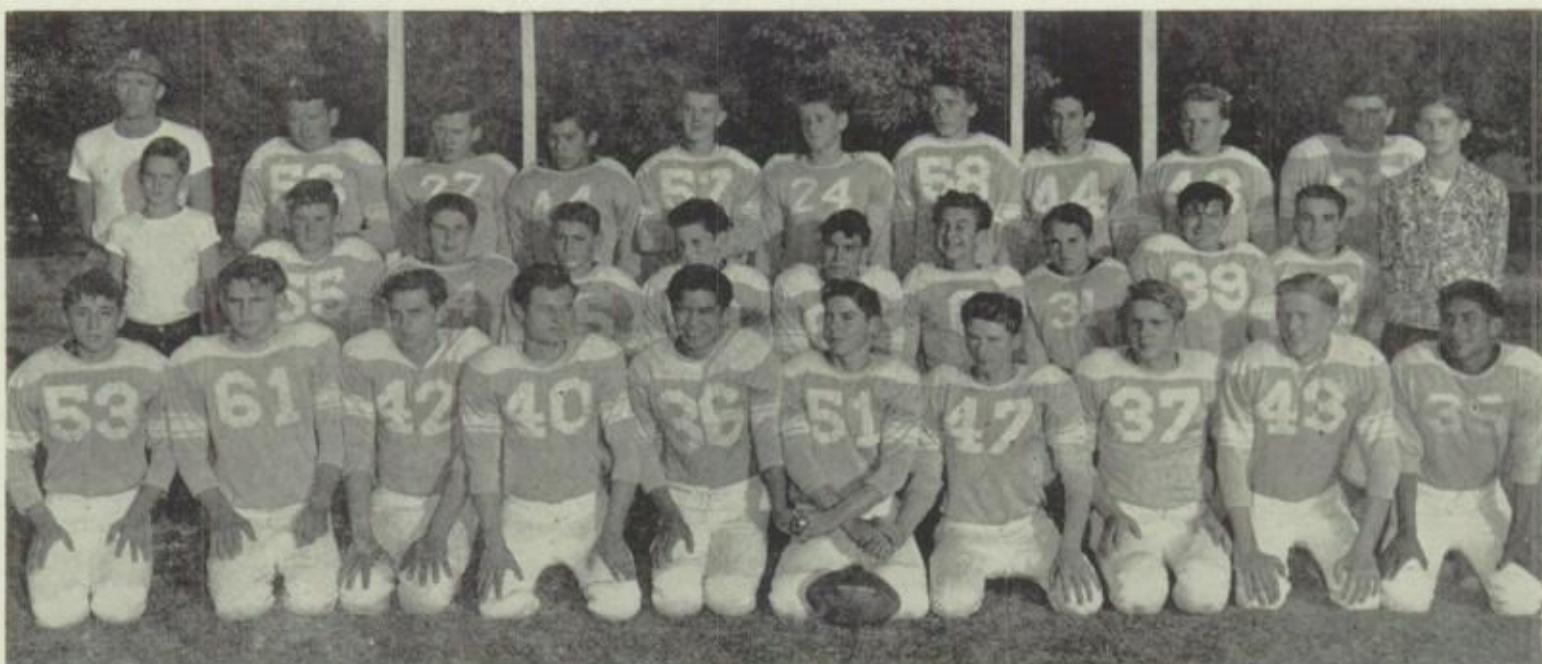

The losses this year came at the hands of Coachella, Beaumont, and San Jacinto. The boys showed an unusual amount of sportsmanship in every loss. The team looked good in defeating Perris and Elsinore and displayed a lot of teamwork and future potentiality. Although losing 7-12 in the annual rivalry game with San Jacinto, the Bullpups put up a good fight and made it known that the game might just as easily have gone the other way, barring numerous bad breaks.

The squad was helped a great deal by several Varsity reserves who switched off weekly from Junior Varsity to Varsity. Among them were Carroll Doolittle, Ernie Morreo, Johnny Culton, Glen Hearrell, Dave Hollis, and Charles Alvarez. A few of these boys stand a good chance of landing first string berths of next season's varsity.

late in the season against Fallbrook's Warriors when the title bound Hemet lads romped, 55-30.

With cage king George Gaudreault at the reins, the Bulldogs rose from an unexpected mediocre squad into one respected and feared by all who came against them. The reason for that is that they lacked almost nothing, being blessed from start to finish with ample height, teamwork and scoring ability.

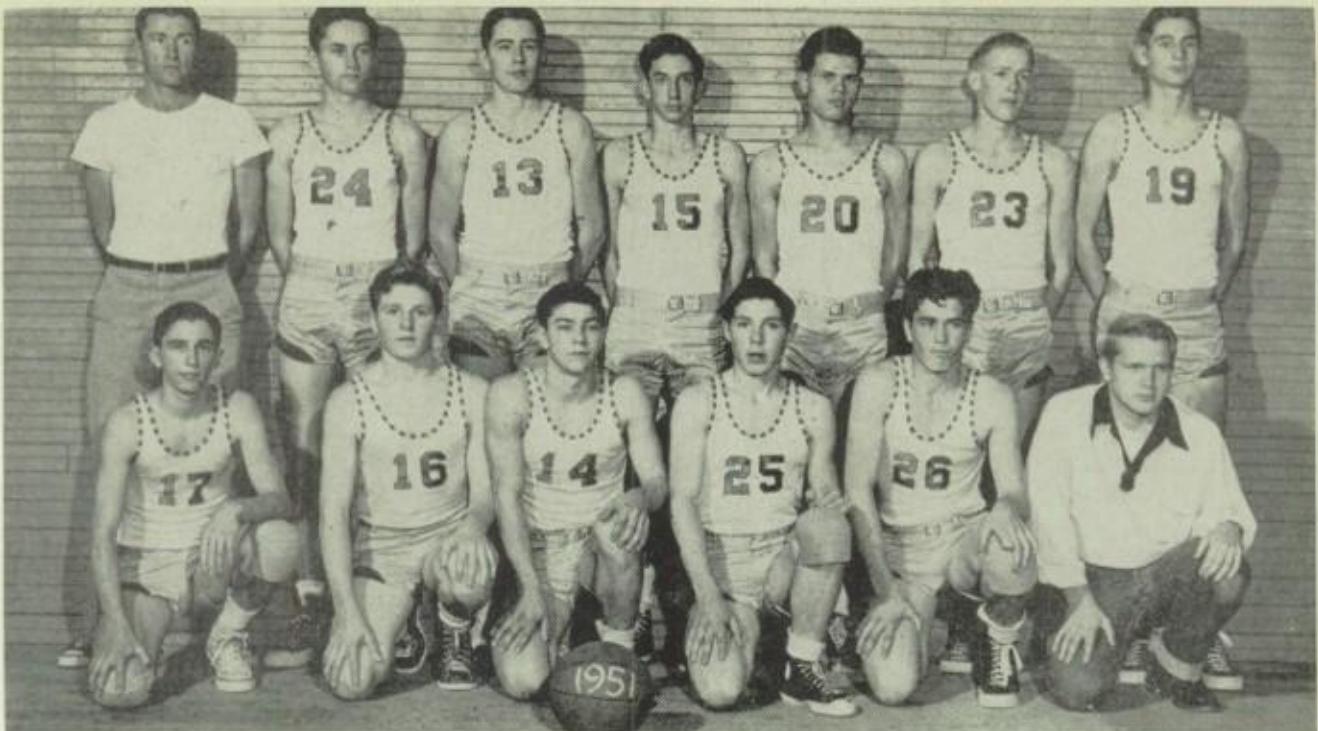

The Bulldogs of '51' will long be remembered in county cage circles as a team to be admired.

Bee Basketball Champs

Hemet's 1951 Bee basketball champs are indeed one of the finest lightweight quintets ever to represent H.U.H.S. in the R.C.L. The smooth-passing Bullpups hung up a 21-1 win-loss record for the past campaign, bowing only to a powerful Glendale-Hoover quintet at Santa Monica, 37-33. The Hoovermen went on to blast Anaheim in second round play, 62-28, and were later crowned tourney champs. It was the second trip to the C.I.F. tourney of champs for the locals, who have brought home the R.C.L. bacon two years in succession.

Behind the explosive scoring barrages of Bob Thompson, Chuck Reeves, and Bill Murray, the Pups made their 1951 debut a bang-up affair with a three-game sweep of Hemet's annual Bee and Cee tournament. With the latter three to light up the score board, and playmaking guards Jim Bass and Bill Wyatt providing superb defensive strength, the busy Bees rang up 20 consecutive victories without a defeat, one of the top victory marches in R.C.L. history.

After meeting their Waterloo in Santa Monica, the locals wound up their sensational season February 27, with a romp El Royal over undefeated Arrowhead League kingpin Newman High School, 54-19.

Following the season finale, Bob Thompson was voted most valuable player by his teammates, while Chuck Reeves and Jim Bass were elected co-captains. Reeves will have his name inscribed on a permanent foul shooting plaque in recognition of a sparkling 64.1 percentage turned in during the season's games. Bass was awarded a foul shot medal for a daily practice performance of 82.1 percent.

Bill Murray (13) goes up to score against a cross-town rival, San Jacinto. All-R.C.L. stars Bob Thompson (14) and Chuck Reeves (background) await rebound.

Duane Intorf, sophomore baseball player, warms up in Perris game warmups.

Shortstop Bob Thompson supplies cameraman with just what he's looking for in a well-executed slide into home.

With newcomer Al Fages at the reins, Hemet's Bulldog baseballers ripped into R.C.L. bat and ball action like a loose stick of dynamite, knocking the bottom from under Beaumont, Perris, and Palm Springs in successive fashion, by impressive scores of 14-5, 8-7, and 7-1 respectively.

It was then however, that traditional rival San Jacinto applied the whammy in the form of a 7-2 drubbing which sent the locals reeling earthward from atop their lofty perch as R.C.L. pace setters into the darkened dungeons of fifth place in final conference ranking with a mark of three wins and four losses.

Baseball

Elsinore's pennant-bound powerhouse was the next team to batter the Bulldogs, emerging victorious, 9-1, followed by runnerup Coachella, 4-0, and Banning High, 6-2.

The Bulldogs held practice victories over San Jacinto, 6-1, and Beaumont, 10-0, while bowing to Colton, 9-1, Banning 10-1, and San Jacinto, 6-5 in non-conference hookups.

Following the season finale at San Jacinto, the locals elected outfielder Dave Wiltshire as Most Valuable Player for the 1951 campaign, while backstop Bill Wyatt was named Captain.

Middle Row: John Culton, manager, Monte Filbin, Bob Raymond, Bob Thompson, Bill Wyatt, Alex Lee, Bill Murray, Jim Bass. Front Row: Dale Clay, Willie Parker, Duane Intorf, Jack Dick, Leo Pasos, Ernie Morreo, Larry Mansur, Buddy Alvarez.

Track

As is often the case in H.U.H.S. spike circles, the Hemet Bulldogs once again suffered from lack of interest throughout the 1951 cinder season, but nevertheless came home with fourth place in the annual R.C.L. spikefest held on the Perris oval April 28.

Hugh Towle wound up a spectacular year in R.C.L. athletics by capturing the varsity shotput event with a heave of 46'9" and also lifted his rugged 190 pound frame to a height of 5'5" to nab third place in the high jump finals.

After garnering all league recognition in both football and basketball, the ape-like mountain of muscle will indeed be remembered as one of the all-time greats in H.U.H.S. athletics.

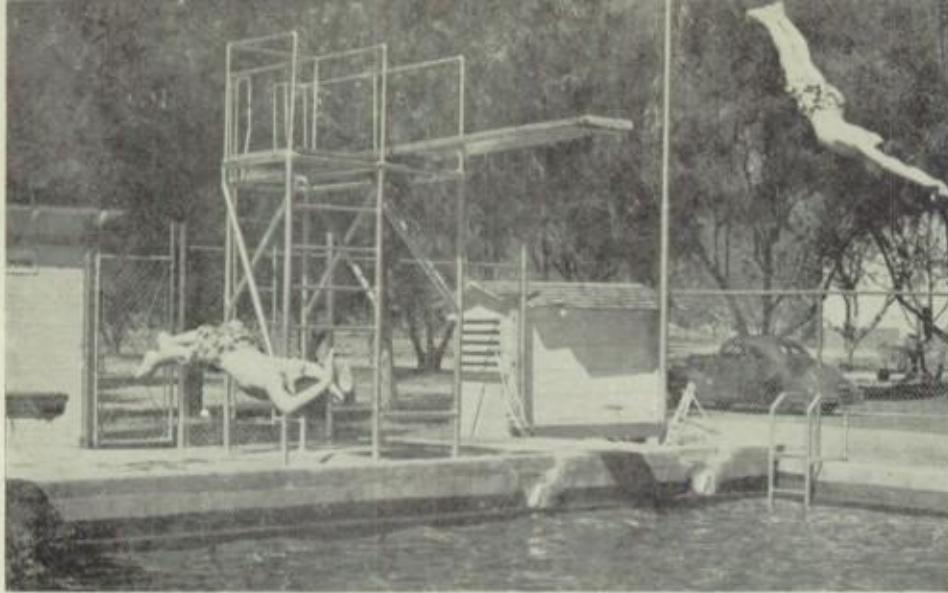

Rubber-legged Bill Murray led all local competition in the class Bee division, with a blue ribbon performance in the high jump at 5'6", and an additional fourth place in the 70 yard high hurdle event. Murray, a Hemet High record holder at 5'8" in the Bee highjump, later equalled this school's tall timber standard with a 9.8 clocking in an interclass meet held May 8.

Little Leo Pasos proved to be the only other R.C.L. winner for the locals as he vaulted into a first place finish in Class Cee competition at a height of 9'3". Besides copping the polevault, Pasos finished fifth in the league broad-jump finals to lead his teammates into a third place tie.

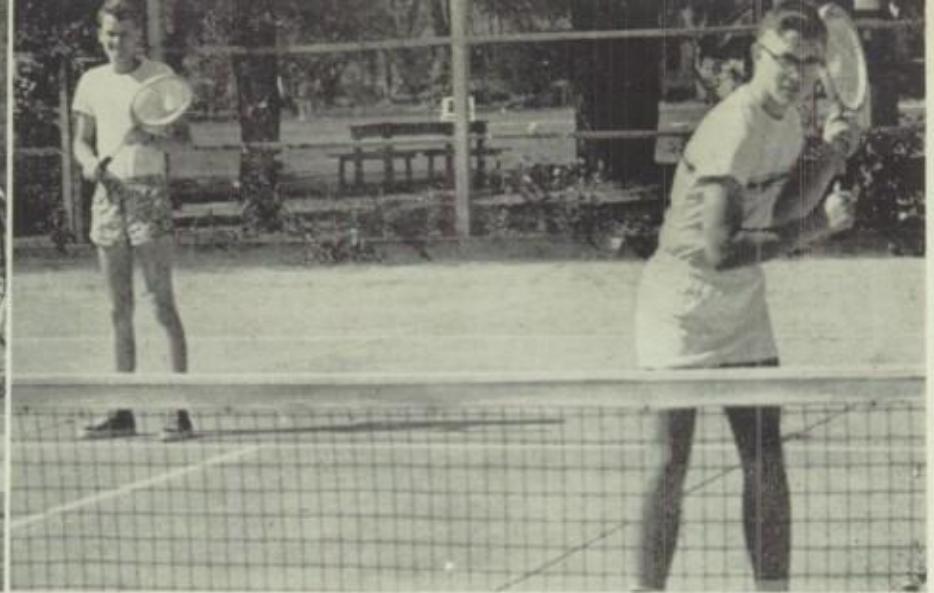

Junior timber-topper Bill Murray gets his form down pat in preparation for the annual R.C.L. finale at Perris.

Certainly one of the top doubles duo ever to come out of H.U.H.S. are racket stars Keith Monaghan (back) and Bob Record (foreground).

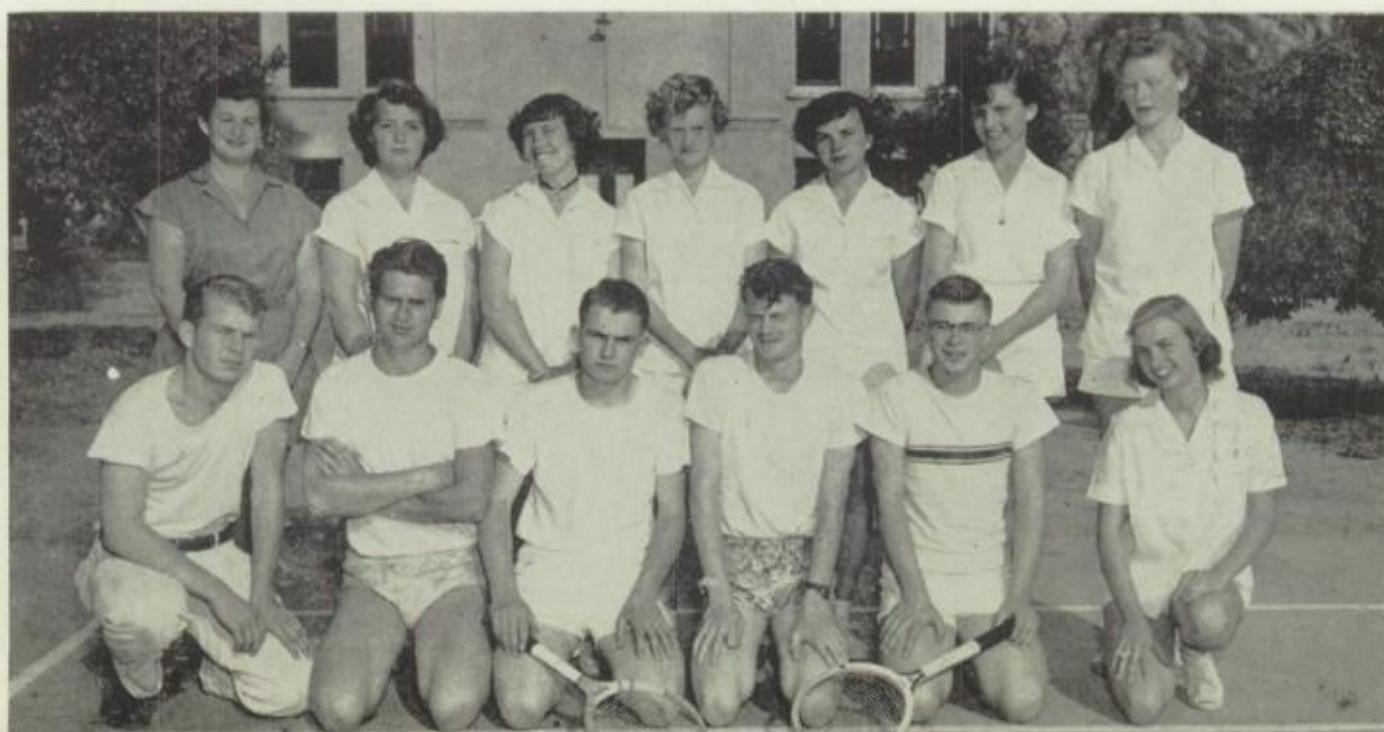

Swimming and Tennis

Despite the ever-winning doubles combination of veteran net artists Bob Record and Keith Monaghan, the 1951 Bulldog racquet squad was one of only mediocre success, finishing third in the girls' division and fourth in the male department.

Under the guidance of Miss Ann Bittner, the local lassies smashed out their lone victory of the campaign over a weak Perris Panther aggregation, 10-9, while bowing to powerful Elsinore and rival San Jacinto. The boys were not so fortunate, coming out on the short end of three league meets.

Team members for the past campaign were Bob Record, Keith Monaghan, Bev McCoy, Chuck Alvarez, Grace Sims, Edris Jones, Shack Pitcher, Jim pitcher, Ina Faye Carruthers, Mary Wilson, Dick Brown, Jim Johnson, Pat Knight, Mary Lou Yoakum, Wanda Bunch, and George Moraign.

Chartered in 1948 was Hemet's chapter of Quill and Scroll, national journalism honorary society. The local unit is named in honor of Homer D. King, editor of the Hemet News. This year's members held an initiation dinner at the Cedars cafe in February, at which Emily Gates, Jim Bass and Jim Pitcher received their pins.

Membership in Quill and Scroll is won by students who do outstanding work in journalism, advertising or photography.

Sponsored by Miss Elizabeth McKelvey, this year's California Scholarship Federation boasts of 16 members, one of the largest honor groups of the past few years. These "brains" followed the motto, "All work and no play makes Jack a dull boy" by attending Chaffey College's musical production, "Paradise Isle" on March 14 and by attending the state C.S.F. convention in Los Angeles on April 14.

The major activity of the Thespian Club this year was sponsoring of a trip to the Pasadena Playhouse, where local troupe members presented Thornton Wilder's "The Happy Journey" in the annual tournament put on by the Playhouse Association.

An impressive initiation dinner at Grandolfo's was held in May, at which time a candlelight ceremony was used, with the lighting of each candle symbolizing the progressive steps of dramatic art in the world.

President of Thespians for the year was Beverly McCoy, with Mr. Schepman as advisor. John McDonough, social studies teacher, acted as director of "Happy Journey."

Spanish Club

"Los Picos", the Spanish Club, was as popular this year as always. These gay señoritas and señors led the way with their annual Taco Tango where students felt they were indeed south of the border as they munched delicious tacos and saw the gay decorations. On December 13, the club traveled to Padua Hills, where members saw the famous "Los Posados," the Mexican nativity play. This year's president of the Spanish Club was Gregg Figgins, with Mrs. Gifford serving as advisor.

G.A.A. Sportsters

The athletic Amazons of Hemet High started the year right by having the largest number of members ever in Girls' Athletic Association history. They proved to be one of the most active clubs in school, and could be easily recognized anywhere because of their vim, vigor, and vitality. Entertaining dinners were sponsored at the close of each sport, so as to end the season in a neat little bundle.

Turning the auditorium into a winter wonderland by planting a snowman and trillions of lacy snowflakes was no easy task for the mighty gals. But the dance, "Frozen Fantasy", was generally agreed to be one of the high spots of the year.

Credit for the G.A.A.'s triumphant year is due to the strong cabinet led by the ever-energetic president, Bev McCoy. Other officers were Vice President Jane Baird, Secretary Martha Fletcher, and Treasurer Mary Lou Yoakum. Managers for the five sports seasons were Florence Wilson, basketball manager; Nada Bounds, hockey manager; Natalie Purser, baseball manager; Joedy Fenrich, swimming manager; and Grace Sims, tennis manager.

First row: Dick Pearson, Jim Pitcher, Maure Hurt, Bob Morris, Bob Record.

Organized in 1946, the Key Club has ever since been an important H.U.H.S. group. The boys who earn the honor of joining this club must be all-around boys and must maintain a C average. This year the first activity of the club was to re-do the scoreboard at the fairgrounds, after which they gave a home-coming dance, which featured the crowning of a football queen, Jane Baird.

Then came December, with the fifth annual Christmas Ball, which is always one of the main events of the year. As usual, it featured soft music, low lights, rustling formals and dancing couples.

Twenty-seven boys attended the district convention at Hollywood in March, and Hemet's group had the distinction of having the largest representation.

Besides operating all the gum machines in Hemet, the Key Club again gave the Sandy Ninniger awards at the end of the school year. Members also served on graduation night by parking cars at the Ramona Bowl.

It is a familiar sight every Thursday at 11:40 to see about 30 boys strolling through the halls with trays on their way to their weekly luncheon meeting. Dwight Webb and Dick Gibbel were the two able presidents this year, with Mr. Killen serving as advisor.

The Lettermen's Club is composed of Hemet's H-Men, those who have earned a letter in football, basketball, baseball or track. This year the club sponsored the baseball throw at the Junior Carnival, where members could show their skill at knocking over milk bottles.

This club also put on the first Senior-Faculty basketball game. To give the faculty a break, the seniors' team was chosen from those boys who did not play basketball on either A or B team. But the faculty emerged the victors, by a 37-34 score, so next year's senior class may play an all-star team made up of the top hoop men of the class!

Also a project of the Lettermen's Club was the annual B and C basketball tournament, which is held annually at Hemet and is sponsored by the Lions Club. But the climax of an eventful year was the sponsoring of the annual Rube Day by the club, with a backward dance taking place in the evening.

As first and second semester prexies, Roger Johnson and Leo Holmes kept the club moving. Sponsor for the group was Coach Cooper, Hemet High athletic director.

Future Homemakers

Starting a new precedent this year by electing officers each semester, the F.H.A. girls showed good taste in their choices. For the first semester the Future Homemakers were under the leadership of Advisor Miss Edna Fletcher and President Mattie Yoakum. Those persons composing the remainder of this council were Grace Sims, vice president; Jean Johnson, secretary; Wanda Bunch, treasurer; Thelma Hefley, publicity chairman; and Pat Knight, music chairman.

Guided by Jo Ann Weddle, the second president of the year, with Jean Beaver as vice president, Gladys Telford as secretary, Marie Tortez as publicity chairman, Shirley Story as program chairman, and Betty Schofield as music chairman, the chapter completed its program of work for the year. The F.H.A., always an active club in school, again won the sweepstakes in its division at the Hemet Farmers' Fair and Festival in October. The theme of the prize-winning feature exhibit was "The Right and Wrong Way to Decorate a Girl's Bedroom."

Every year at Christmas the Future Homemakers strive to make some needy family's home more pleasant by donating clothes, toys, and a decorated tree. This was still not enough of the Christmas spirit for the girls, who also brightened the Yuletide season for the Sherman Indians by sending presents to them.

To end the year with a gay note, the annual wiener bake was held at the riverbed, with plenty of food and fun for all.

The Hemet Future Farmers have prospered during the past year. The new agriculture building has been instrumental in spurring the boys on. Highlights of the year have been many, including winning the F.F.A. public speaking contest, and then topping off the year's activities by winning the sweepstakes at the Riverside County fair.

Citrus and livestock judging contests, Camp Condee, project competition, after-school sports, cooperative marketing contests, and the father and son banquet all contributed to the year's successes.

Officers for the year were Shack Pitcher, president; Leonard Yates, vice president; Charles Alvarez, Secretary; Monte Filbin, treasurer; Ed Mang, reporter; and Fred Hagen, advisor. Capably assisting the advisor this year have been the student teachers, Ray House, Harold Peck, Richard Calhoun and Richard York.

"No time for this; we'll be at the Junior Carnival" was the theme of the F.F.A. entry in the Hallowe'en parade this year. Tipping the privy are Donald Morton, Charles Alvarez and Marshall Polson. The hairy legs inside belong to none other than Joe Arnaiz.

Leading the H.U.H.S. band this year was Dick Hart, with four high-stepping majorettes to prance and twirl as the rousing school songs were played. Elsie Bennett, Barbara Webb, Doris Reno and Sandra Osburn worked hard on their routines and contributed much to the success of the band. A new feature this year was the drill team, whose members, in their snappy yellow corduroy uniforms, also added color and glamor.

Our yell leaders were full of pep and kept the stands cheering the boys on to victory. During both football and basketball seasons these five vigorous pepsters, Jean Johnson, Jo Ann Gudmundson, Nada Bounds, Ronnie Beavers and Jim Walsh, kept both team and spectators on the go.

Music

Whenever the band played "Hemet Bulldogs", out came our songleaders, Janet Kilmer, Maxine Jeffries and Joedy Fenrich. These gals were always on the ball and made everyone want to sing as they capered up and down the sidelines.

With the band, these four combinations added color and life to the football and basketball seasons and played important parts as morale builders.

Hath Charms

The high point of this year for glee club members came on May 10 and 11, when they presented the operetta "H.R.H. Miss Jones", a comedy of confusion in which everybody wonders until almost the last minute who the real princess is. Joining together for this presentation boys' and girls' choruses, directed by Curtis Miller and Mrs. Dorothy Peterson, gave a performance of real merit.

Previously the groups had offered the Christmas cantata, "Song of Christmas", and appeared before several community organizations.

The Hemet High band, under the direction of Curtis Miller, did not limit its activities to football season, but went on right through the year.

The big event of the spring semester was the R.C.L. massed band festival, held in Hemet on March 30. The very next day, March 31, the band traveled to Redlands to take part in the southern California band and orchestra contest, where a "B" rating was earned. This rating entitled the group to enter the state contest, held at Fullerton on April 21.

In return for their various services to the community, band members were entertained by the Lions Club on April 4 at a regular dinner meeting of that club.

Publications

Mr. Kenneth Newton, Photography Advisor; Mrs. Frances Hagen, Publications Advisor.

A high school annual is looked upon as the printed record of the year's classes, activities and events. And any annual staff will vouch for the fact that it is a year's job to put out an annual! Financing the book, planning it, gathering the material and assembling it into a dummy from which the printer can make the finished product are tasks which require far more time and effort than anyone dreams—except the annual staff—and they know!

There were times when this year's Tahquitz staff wondered if a book would ever emerge from the sometimes hectic atmosphere of Room 16—bedraggled sheets of dummy paper, folders of identifications, and envelopes full of photograph negatives in the darkroom. And after that came hours of writing and typing copy, and then more hours of proof reading, not to mention the soliciting of ads, selling of annuals, and everlasting checking of subscription lists.

Well, it's over now, and we hope you enjoy your Tahquitz of 1951!

Tahquitz Peeks, Hemet High's school paper, graduated this year from a mimeographed paper to an offset, or multi-lithed type of printing. This enabled the staff to provide pictures as well as written material and brought on a rash of phone calls from nearby schools who wondered how it was done. Eight issues were put out during the first semester and five during the second, with special sports news and all-county teams at the end of football and basketball seasons.

As with all school papers, the main difficulty was getting news into print before it was completely stale. The staff tackled this problem by trying to write in a feature type of style and by keeping the date of issue fluid, so as to put out an issue shortly before or after some big school event.

Miss Faye Judy, Junior high school secretary.

Mr. Ivan Wilson comes to us from the Redlands University. He teaches eighth grade social studies, and seventh and eighth grade mathematics.

Mr. Frank Farmer is a graduate of Pomona College. He teaches ninth grade social studies and mathematics. Mr. Farmer has developed an enthusiasm among the students for after-school sports.

Miss Faye Judy, a graduate of our own Hemet High, came back to the campus as junior high secretary after a year on the Hemet News staff.

This year's student Council, advised by Mr. Schlef, spent a very successful year due to the excellent officers and the outstanding leadership of President Dorothy Lingo.

Dorothy and the council were commended on their excellent work by both senior high students and faculty members. All in all this year's council was said to be one of the smoothest running groups the school has ever had. Hall patrol members were also on the job as calls of "come back and walk" reminded students that the halls were for walking, not running.

The class of '54' received during the first semester a course preparing them for senior high. This year was the first that this course was given and it was thoroughly enjoyed by the ninth graders. It was to prepare them scholastically and socially for most of the problems which might arise next year, and later on in their lives.

Ninth graders made up the hall patrol, and most of the office help. They received their class pins early in the spring and displayed them proudly on their grey class sweaters.

At the end of the year they enjoyed the traditional farewell party given them by the eighth graders, and finally took their departure from the junior high at graduation time.

Aside from concentrating on the Constitution test, eighth graders found time to put on one of the loveliest dances of the year, the "January Frolic."

In their English classes several of the students earned the honor of having their poems published in the "National Anthology of Poetry."

During the last quarter, members of the eighth grade were very busy selecting and voting on candidates to be their student body officers for next year.

Seventh graders began their new life in Hemet junior high by enjoying a Hobo Party given for them by the Junior-Senior High P.T.A. During the year they took part in various homeroom parties, especially at Christmas time and on Valentine's Day. In the spring, they sponsored a dance called "Spring Frolic", at which the school's tape recorder supplied music taken from the class members' favorite records.

Classroom

Since the goal of the junior high school course of study is to give pupils the opportunity of "trying out" a variety of subjects, classes range from those in the three R's to the more specialized courses, such as publications, band, speech, shop and agriculture.

Along with their social studies, math, and English, seventh graders get a taste of crafts, chorus, woodshop, and hygiene. Eighth graders concentrate on preparing for their Constitution test, and ninth graders specialize in making ready for the transition to high school by studying vocations and planning their high school programs.

Junior High Sports

The highlight of the 1951-50 junior high basketball season was the undefeated record of the Bee team. The Bee's went through six league games undefeated and easily walked home in first place. The A's season was not as successful, as they were beaten in four out of six. Other teams in the league were Elsinore, Perris and Val Verde. Scores for the games were:

BASKETBALL

A's

Hemet 14	Elsinore 28
Hemet 17	Val Verde 35
Hemet 24	Elsinore 29
Hemet 26	Perris 16
Hemet 17	Val Verde 15

Hemet 28	Elsinore 19
Hemet 22	Perris 12
Hemet 17	Val Verde 3
Hemet 17	Perris 14

In football the climax of the season was the return game with St. Hyacinth after beating them 39-6. In the return game the score was an overwhelming 58-13.

DEE BASKETBALL

This year's midget edition of the H.U.H.S. basketball team had an outstanding record which nearly equaled that of their big brothers in the "A" and "B" divisions.

They swept the western division of the R.C.L. which is composed of teams from Perris, San Jacinto, Elsinore and Hemet. In a post-season playoff at Banning High for the R.C.L. Championship, the Baby Bulldogs lost merely by one point to a sharp Coachella quintet, 36-35.

The team was an all-freshman quintet which makes Hemet's hopes for future major division championships appear very bright. The locals were led by Kenny Kinkade, who wound up the season with 13 points average. Also adding to the team's success were Jerry Fricker, Larry Page, Jimmy Venable, Tommy Leavelle and Tommy Blum.

CEE BASKETBALL

The 1950-51 Cee basketball team didn't fare as well as their little brothers, winding up with a 2-3 win-loss record.

They wound up in third place in the western division. The losses this year came at the hands of the strong teams of Perris and San Jacinto. The team didn't get into the R.C.L. playoffs at the end of the season.

Even though they didn't do too well in league play, the squad had its share of individual stars. Leading scorer was Jim Fricker winding up the season with an all point average. Others contributing fine floor play and a fine scoring punch were Ernie Morreo, Leo Pasos, L. C. McKinley, and Max Goodwin.
